

LUIS CAJAS

When it comes to understanding what a piano is capable of doing, Luis is unsurpassed. Luis's skills as a rebuilder of Steinway pianos are legendary. Having worked on the pianos for most of the countries premium rebuilders and manufacturers, Luis is one of the few artisans in the world who has a thorough understanding of every mechanical aspect of the piano.

Luis's humility, passion and respect for his craft is rare in today's world of disposable goods. You can be certain that if Luis is involved in the restoration of your piano, you will wind up with a cherished heirloom to pass on for future generations to enjoy.
